As explained in the CC&R's, exterior improvements or modifications require approval by our Architectural Committee. This is the form we use for applying for such approval. Please describe all changes you propose to make. Include a scale drawing(s) with top (plan) and side (elevation) views as necessary to clearly establish locations and elevations of any structures. Include dimensions and indicate relative location. To avoid delay of committee action, please include all information the committee will need to make a decision. Attach additional pages if needed. You may deliver this completed form(s) (2 copies) along with drawings, to the Community Association Manager. Request will either, be approved, denied or returned for additional information after review. The Committee will act within 30 days of date of receipt of application.
